

Mary Davis

Division Director, Housing &amp; Community Development Division

**TO:** Councilor Duson, Chair  
Members of the Housing Committee

**FROM:** Mary Davis, Division Director  
Housing and Community Development Division

**DATE:** April 20, 2018

**SUBJECT:** 2018 Housing Trust Fund Annual Plan

The Housing Trust fund is established by Section 14-489 of the City's Code of Ordinances. Section 14-489 (e) states that "the city council shall adopt a housing trust fund annual plan" and that the "housing committee of the city council or such other committee as the council shall designate shall conduct public hearings on the recommended plan and refer the matter to the council for action."

The plan establishes the priorities in which the current balance of the Housing Trust Fund will be allocated. Over the last few years, the annual plan has been deliberately broad due to the relatively small amount of available resources. With an increase in resources, it is prudent that a more detailed plan be put in place. Housing Trust Fund resources should be focused on opportunities where other funding sources do not work or are not effective. As always, the City should act prudently when deciding to invest these funds.

Staff is requesting committee approval and recommendation to the City Council of the proposed 2018 Housing Trust Fund Annual Plan.

**2018 ANNUAL PLAN**

**BACKGROUND**

The Housing Trust fund is established by Section 14-489 of the City’s Code of Ordinances. Section 14-489 (e) states that “the city council shall adopt a housing trust fund annual plan” and that the “housing committee of the city council or such other committee as the council shall designate shall conduct public hearings on the recommended plan and refer the matter to the council for action.”

The Annual Plan will establish the priorities in which the current balance of the Housing Trust Fund will be allocated. The plan is in line with the 2018 City Council Goal of increasing access to rental and ownership housing that is safe and affordable for working and low-income families.

This budget is based on the current balance in the Housing Trust Fund. At this time, Housing Trust Fund revenue is generated from fees triggered by the Housing Preservation and Replacement Ordinance and fee-in-lieu contributions from the Inclusionary Zoning Ordinance, along with other funding resources under Council consideration. The balance of the Housing Trust Fund is \$913,502. While staff anticipates increases in revenue in the Housing Trust Fund as a result of the Inclusionary Zoning Ordinance and other sources being considered by the City Council, those anticipated resources are not included in the 2018 Annual Plan.

City Ordinance requires that the Housing Trust Fund Annual Plan include a description of the programs to be funded, a budget for each program and identify how the funds will be distributed among very-low (at or below 50% of the area median income), low (at or below 80% of the area median income) and moderate income (at or below 120% of the area median income) households.

The Housing Trust Fund is a valuable tool that can assist the City in meeting the goal of providing increased availability in all segments of the housing market. While the City has other resources such as the HUD HOME and CDBG Programs, those funds are limited in amount and scope. The proposed Housing Program budget for FY 2018-2019 includes \$325,064 in HOME funding for affordable housing development, \$100,000 for housing rehabilitation and \$224,096 in CDBG housing program income for housing rehabilitation. The HOME program restricts rental housing assistance to households at or below 60% of the area median income and home ownership assistance to households at or below 80% of the area median income. The CDBG program is restricted to households at or below 80% of the area median income. City Ordinance allows the Housing Trust Fund to assist households at or below 120% of area median income.

As always, the City should act prudently when deciding to invest these funds. The Housing Trust Fund should maintain a minimum balance of \$500,000 in order to have resources to act quickly when there is an emergency, such as a need to cure a potential mortgage default that could result in loss of an affordable unit.

### **FUNDING PRIORITIES**

The purpose of the Housing Trust Fund is the "...promotion, retention and creation of an adequate supply of housing, particularly affordable housing, for all economic groups and to limit the net loss of housing units in the City." and "To serve as a vehicle for addressing very low, low and median income housing needs...".

A 2018 priority will be to support the Portland Housing Authority in the implementation of their Strategic Vision Plan when other funding sources are not available. The Housing Authority's current priorities in that Plan are the Boyd Street and Front Street sites.

### **Allocation Process**

Housing Trust Funds will be distributed through a competitive application process. A Notice of Funding Availability will be issued at a minimum of an annual basis to notify potential applicants that the application is available. Applications will be reviewed by an evaluation team that will include City of Portland staff. Selection criteria as well as a point system will be used for evaluating and scoring the applications.

Recommendations will be forwarded to the City Council's Housing Committee for review and approval. The Housing Committee recommendations will be forwarded to the City Council for final review and approval.

### **Eligible Activities**

Activities eligible for funding from the Housing Trust Fund are those that promote, retain, and create an adequate supply of housing, particularly affordable housing for all economic groups, and to limit the net loss of housing units in the city. Eligible activities may include: new construction, preservation/rehabilitation of existing affordable housing, adaptive reuse, acquisition, housing first.

The Housing Trust Fund resources are also intended to promote the retention of affordable housing. Staff recommends that Housing Trust Fund resources be made available, if necessary, to exercise the City's right of first refusal in connection with potential foreclosure issues with affordable homeownership units. This is unlikely to occur in the near future but may come up as more workforce homeownership units are created through Portland's inclusionary zoning ordinance. Similarly, Housing Trust Fund resources should also be considered for aiding households that own affordable units to pay special assessments from their condominium or homeowners association in order to help maintain the unit's affordability and reduce any risk of foreclosure. It is important to allow for the consideration of using funds in these manners as foreclosure of a unit can jeopardize any affordability restrictions associated with the property.

### Financing Parameters

Housing Trust Funds should be a resource of last resort.

**Form of Awards:** A variety of funding mechanisms will be utilized including no-interest loans, below-market loans, forgivable loans, and grants. Type of funding will be determined after review of a number of factors including amount necessary to make the project feasible, the project type, income targeting, number of affordable units, and duration of the affordability period.

**Maximum Award Amount:** Funding awards will be determined on a per affordable unit basis. The City contribution per unit will not exceed \$15,000. This amount may be adjusted at the discretion of the City Council.

### Income Targeting

Housing Trust Fund resources should be focused on (1) opportunities where other funding sources do not work or are not effective, (2) projects designed to create housing affordable to households earning at or below 50% of the area median income, and (3) projects designed to create housing affordable to households earning 80% to 120% of the area median income.

Affordable means that the percentage of income a household is charged in rent and other housing expenses, or must pay in monthly mortgage payments (including insurance and taxes), does not exceed 30% of a household's income, or other amount established in city regulations that does not vary significantly from this amount.

### Affordability Restrictions

Affordability restrictions are required. In the case of rental or cooperative units, the units must remain affordable for the life of the housing unit which is presumed to be a minimum of thirty (30) years.

Homeownership units must include resale restrictions that maintain an “equitable balance” between the interests of the owner and the City. These restrictions must be documented and recorded in the Cumberland County Registry of Deeds.

Sales must be made through an arms-length arrangement. No employee, agent, stockholder, officer, director, servant, or family member of the Owner or its Management Company, or its employees, agents, or servants thereof, related either by blood, marriage, or operation of law may qualify for a unit financed with Housing Trust Funds or receive any benefit related in any way to the administration or compliance with the conditions contained therein.

### Implementing Regulations

Regulations to further specify the details of the parameters outlined in this Annual Plan, shall be developed, including, but not limited to:

1. Specific methodology for income verification; and
2. Underwriting criteria.

## **I. GENERAL INFORMATION**

### ***A. Availability of Funding***

The City of Portland has made the development of affordable housing a priority use for its local Housing Trust Funds, as is identified in the City Code of Ordinances, Chapter 14 Division 31 Section 489. To accomplish this priority, the City of Portland will accept applications for the development of affordable housing in the City of Portland.

The City of Portland's Division of Housing and Community Development uses an application process to ensure that public funds are utilized for maximum public benefit while accomplishing specific objectives and providing fair access to all applicants. Applications will be accepted until all budgeted funds are allocated. The City of Portland reserves the right to partially fund application requests or deny any application that does not meet the application criteria.

In FY 2018-2019, the City of Portland is making available Housing Trust Funds in the amount of \$XXXXXX.

### ***B. General Guidelines***

Activities eligible for funding from the Housing Trust Fund are those that promote, retain and create an adequate supply of housing, particularly affordable housing for all economic groups, and to limit the net loss of housing units in the city. Mixed income projects are eligible and encouraged, however not all units in a mixed income project will be eligible for funding through the Housing Trust Fund. Projects with mixed unit types including efficiencies, one, two and three bedroom units are eligible.

This application outlines the selection criteria which all projects applying for these funds must meet, as well as scoring factors which will be used by the City of Portland to evaluate the applications.

### ***C. Local Requirements***

#### **Fair Housing and Equal Opportunity**

[Title VI of the Civil Rights Act of 1964, as amended (42 U.S.C. 2000d et seq.) (HUD implementation regulations 24 CFR Part 1); The Fair Housing Act (42 U.S.C. 3601-3620)(24 CFR Part 100-115); Equal Opportunity in Housing (Executive Order 11063, as amended by Executive Order 12259)(24 CFR Part 107); Age Discrimination Act of 1975, as amended (42 U.S.C. 6101)(24 CFR Part 146).]

The Fair Housing Act prohibits discrimination in all housing-related transactions based on race, color, national origin, religion, sex, disability, age or familial status. It also includes minimum accessibility design requirements for all new construction and rehabilitation projects and requires that reasonable accommodations be made in rules, policies, practices, services and reasonable structural modifications. Section 504 of the Rehabilitation Act of 1973 prohibits discrimination based on disability and requires that everyone have equal opportunity to obtain housing built with federal funds.

## **Affirmative Marketing**

Developers must have tenant selection policies and criteria to ensure that tenants are selected for occupancy at the property in a fair and equitable manner. Tenant selection policies must be based on objective criteria that expressly prohibit bias. Tenant selection procedures should be clear and easily understood by prospective tenants. An affirmative marketing plan is required to ensure that the property serves a diverse cross-section of the population of the market area, must consist of actions to provide information and otherwise attract eligible persons in the housing market area that might not otherwise apply without special outreach, and ensure that the Housing Trust Fund-assisted housing is available to qualified applicants without regard to race, color, national origin, religion, sex, disability, or familial status.

### ***D. Goals for the Distribution of Housing Trust Funds***

The goals for the distribution of Housing Trust Funds are (1) the promotion, retention and creation of an adequate supply of housing, particularly affordable housing, for all economic groups and to limit the net loss of housing units in the City; (2) to promote and finance the development of affordable housing consistent with the City of Portland's Comprehensive Plan. The City of Portland seeks development projects with a high standard of quality, design, and livability. Projects should not require a contract or conditional zone (although other rezoning consistent with the City's Comprehensive Plan may be considered). Resolution of any zoning issues is required before City Council approval of the applicants funding request. Developments should promote efficient use of land, locations proximate to shopping, work places and community facilities. They should also incorporate high standards of energy efficiency, "green" design and socially sustainable criteria.
