Prime Contractor	Shaw Brothers Construction, Inc.

### MaineDOT Paving – Riverside Street and Route 302

**Project Description:** This project is a State-led project that is being ran by MaineDOT with the City helping as a liaison and ensuring City standards are met. Due to the type of project this is, MaineDOT is paying 100% of the project costs.

The goal of this program is to improve arterial roadways and bring them up to MainDOT and City standards. Preservation and extension of the useful life of these roads is a main goal.

The project includes milling and paving, improvements to curb ramps to comply with the Americans with Disabilities Act (ADA), and final striping after paving is completed.

The project was bid in late April 2020 and has been awarded to Shaw Brothers Construction, Inc.

Work began late July 2020 and the project should be completed in October 2020.
