

Assessment Application Form City of Portland Brownfields Assessment Program

The Environmental Protection Agency (EPA) defines a brownfield as "real property, the expansion, redevelopment, or reuse of which may be complicated by the presence or potential presence of a hazardous substance, pollutant, or contaminant". **The City of Portland's EPA-funded Brownfields Assessment Program provides opportunities for eligible properties to be assessed at no cost to the applicant with the objective of identifying the presence or absence of contamination.** The information collected can be utilized to assist in making decisions with regard to redevelopment – e.g. purchasing, marketing for redevelopment or identifying health concerns.

Applications should be filled out in full and returned to the City of Portland's Economic Development Department to nrh@portlandmaine.gov or 389 Congress Street, Room 308, Portland, Maine 04101. Contact Nelle Hanig with any questions at 207-756-8019.
