

Before registering for group skating lessons, please familiarize yourself with Trough Ice Arena's Covid-19 Group Lesson Eligibility Requirements & Protocols.

William B. Trough Ice Arena Group Lesson Eligibility Requirements & Protocols (Updated 03.01.2001)

Group Lesson Eligibility Requirements

To stay in compliance with the "6-Foot Rule and "No Touch Rule," students must meet the following requirements:

- 1) Student is 16+ Years Old
- 2) Student has completed a beginner class or has on-ice experience.

In the fall we are hopeful to, again, offer group lessons to skaters of all abilities and ages from 4+ years old and up.

Maine CDC "6-Foot Rule" and Trough Ice Arena's Covid-19 "No Touch Rule"

Per the Maine CDC, unless you reside in the same household, always maintain a 6-foot distance from each.

For the health and safety of our skaters, instructors and staff, TIA has implemented a "No Touch Rule."

Staff and instructors will ONLY assist skaters who are unable to rise unassisted, due to injury.

For this reason, skaters must have some on-ice skating experience.

No touching unless an emergency occurs.

Maine CDC Maximum Building Capacity - 50 Occupants

Per the Maine CDC our maximum building occupancy capacity is 50. This includes staff and instructors.

At this time, family, friends and spectators are NOT allowed in the arena.

Please follow the arrows to the exit door when departing.

TIA Group Lesson Protocols

1. Individuals experiencing a sore throat, cough, chills, body aches, shortness of breath, loss of smell and or taste or fever at or greater than 100 degrees or ANY other symptoms consistent with COVID-19 are prohibited from entering the arena.
2. Students are **required** to wear a face-covering **at all times**, including during on-ice group lessons.
Per the CDC, shields alone are not an acceptable barrier unless combined with a face covering.
3. Please arrive at the rink **no more than 10 minutes before your scheduled lesson**. As a safety precaution, TIA is controlling access to the building and as such, we appreciate your prompt arrival for lessons. This allows staff to limit the number of people allowed in the arena. If waiting in line outside, you must wear your mask and observe the 6 foot rule.
4. Skaters are to be dropped off/picked up outside the rink and should come prepared to take the ice. Upon your arrival, entrance to the building is through the front doors and once in the lobby, down the stairs to the left. *Please look for the arrows.*
5. Skaters must exit the building within 10 minutes after their lesson has concluded. Upon your departure, exit past the bleachers and through the side doors. *Please look for the arrows.*
6. Restrooms may be used with a maximum of 2 skaters per restroom allowed. Socializing in the lobby and/or restrooms is **NOT** allowed.
7. **TIA does NOT maintain a Lost and Found. Any items left behind will be disposed of.** *All personal items, i.e. jewelry, wallet, etc. should be left at home.*
8. Currently, we are not allowing the consumption of food.

Protocol Violations

Violation of these protocols may result in being asked to leave our facility.

Refunds/credits will NOT be given when asked to leave the building for not following Covid-19 Protocols.

When under the age of 18, TIA will contact parent to pick skater up or give permission for skater to leave TIA on their own.

Even with these precautions in place, Trough Ice Arena cannot eliminate all risk associated with COVID-19. By choosing to make use of this facility, guests are assuming the risk that they may contract COVID-19 at the facility despite Trough Ice Arena's best efforts to provide a clean and safe environment.

Mandatory TIA Covid-19 Health Check

All who enter are required to complete the TIA Covid-19 Health Check Questionnaire **before** entering our facility.

For your convenience, the Q-code link is also posted on the doors into our rink.

Troubh Ice Arena (TIA) Group Skating Lessons

Troubh Ice Arena has been offering group lessons for over 37 years. Since its inception, it has been one of our most popular and successful programs. With over 100 years of combined experience, TIA skating instructors are certified ISI or USFS professionals and/or qualified amateur figure skaters who absolutely love teaching this sport to skaters of all ages and skating abilities! (If you would like more information on private skating lessons, please email: vla@portlandmaine.gov.)

Ice Sports Industry (ISI) Skating Program

ISI created America's original learn-to-skate program and has introduced more than 10 million individuals to the wonderful world of ice skating!

The ISI Skating Program was developed more than 50 years ago and has become the program of choice for successful coaches and skating schools wishing to increase participation and improve skater retention while keeping skating fun! It is based on consistent and well-defined levels of achievement that have proven to guide a skater from basic beginner maneuvers through significantly more advanced and even competitive skill sets. It has literally taught millions of people how to skate and skate well. Many of the most accomplished skaters in the USA began in this program and have gone on to achieve some of the world's highest titles. Skaters are introduced to attainable skills and are constantly evaluated and tested at appropriate intervals. Skaters receive an ISI patch for each ISI Freestyle level attained. ISI (Ice Sports Industry) levels are strictly adhered to.

"It has been, and will continue to be, the policy of the Ice Sports Industry (ISI) to promote equal opportunity for all members in its leadership and educational programs, endorsed events and other activities sponsored by the ISI. The objective of ISI is to encourage participation in recreational ice sports without regard to race, color, religion, sex, national origin, age, disability, ancestry, sexual orientation, gender identity and expression or veteran status."

Adult ISI Basic Skills Group Lessons

Youth ISI Basic Skills Levels – Pre-Alpha • Alpha • Beta • Gamma • Delta

Basic skills instruction enables students to pursue interests in figure skating, hockey, recreational or speedskating. Each weekly session generally consists of a 25-minute lesson and a 25-minute practice. Skaters are introduced to attainable skills and are constantly evaluated and tested at appropriate intervals. Skaters receive an ISI patch for each ISI Basic Skills level attained. ISI (Ice Sports Industry) levels are strictly adhered to.

Adult ISI Freestyle Levels 1-10

Freestyle skating is more than having the ability to do a jump or spin. It is an artistic sport combining both athleticism and performance demonstrating artistry, musicality, and showmanship. The ISI Freestyle Levels are exciting! Classes are specifically designed for each ISI level attained and consist of 25 minutes of instruction, followed by 25 minutes of supervised practice. Now it is time to fly high! Beginning with half-rotation jumps and basic spins all the way up to triple jumps and flying spins, your skating skill level will improve at every step. The class curriculum is presented in a positive manner and maneuvers are broken down into smaller parts so they can be learned and mastered.

Freestyle Elements (FS E)

These classes focus on teaching specific skating skills including edges, jumps, and spins that we call "Elements." Students are tested on these elements to determine if they are ready to progress to the next level. If not, the test results provide feedback on what elements the student needs to continue to work on.

Freestyle Program (FS E)

These classes link each level's required **elements** with music to create a "Program." Ideally, the program will match the student's musical taste and skating style while using all required skills from their level. The skater then skates their program on a testing session to complete the level's requirements. *In general, students work with a private coach to develop a program.*

ISI Group Lesson Practice Ice

ISI Group Lesson Practice Ice is offered to any student 6+ years old who skates at the ISI Gamma Level or higher. It is the perfect opportunity for students to practice what they are learning in class and/or to supplement their group lesson with a private lesson. Ice is limited to 20 students and group lesson participants have priority on the ice. You may sign up for as few or as many classes as you like! Participants must be pre-registered for this class and we encourage you to register early.

Group Lesson Registration Policies

- **Preregister: Preregistration is mandatory.**
- **Drop-in Classes:** Drop-in classes are NOT allowed on ISI lesson ice.
- **Full Refund:** Full refunds/credits are given with a 48-hour notice of first lesson in the session.
- **Partial Refund:** • **Partial Refund:** With less than a 48-hour notice of first lesson in the session, you may choose a full credit to be used at a later date or a partial refund, minus \$20.00 of total amount paid, unless accompanied with a doctor's note.
- **No Refund:** No refunds/credits are given after the second class, unless accompanied with a doctor's note.

Group Lesson Make-up Class Policy

• **Make-up Classes:** Make-up classes must be done within the SAME session and may be taken on any other day of the week that the same class is offered. To schedule a make-up class, please email: vla@portlandmaine.gov

CLASS SPACE IS LIMITED AND AVAILABLE ON A FIRST COME - FIRST SERVED BASIS ONLY!

Due to Covid-19 Lesson Protocols and the parameters we have to work within, we do not guarantee that you will be able to attend a make-up class at this time.

Skates / Rental Skates / Sharpening

Complimentary Rental Skates Are Included With Group Lessons

Did you know that having your skates professionally sharpened makes it much easier for skaters to learn new techniques? If you own your own skates, TIA staff is happy to evaluate your skates and sharpen as needed. Please contact our office to schedule an appointment: rallen@portlandmaine.gov / 207-828-5492

Parking at Troubh Ice Arena

Troubh Ice Arena is located at the Portland Sports Complex on 225 Park Avenue. Parking is free, and on a first-come, first-served basis. We share our spaces with nearby facilities, including the Expo and Hadlock Field. Blue cones reserve a limited number of spaces for our patrons. Additional parking is available behind the arena.

Adult ISI Basic Skills Group Lessons

Adult ISI Basic Skills Levels – Pre-Alpha • Alpha • Beta • Gamma • Delta

Students must be preregistered in order to participate in the ISI Group Lesson Program.

When unsure of skater's level register as a beginner. Class instructors will evaluate skating skills and place in appropriate class.

ISI Group Lesson Practice Ice

Participants must be pre-registered for this class and must skate at a Gamma level or higher.
