**ORDER APPROVING REVISIONS IN THE SCOPE OF SERVICES FOR THE
HEALTHCARE FOR THE HOMELESS PROGRAM**

ORDERED, that in our interim capacity as the Healthcare for the Homeless Board of Directors, we hereby approve the Revisions in the Scope of Services for the Health Care for the Homeless Program substantially as described in the information attached hereto as Attachment 1.

Attachment 1

Healthcare for the Homeless (HCH) is required to have a scope of service that is reflective of its most recent approved grant application. For HCH, the Health Resources and Services Administration (HRSA) defines that as calendar year 2013. Minor housekeeping changes are needed to accurately reflect services provided directly or indirectly, including but not limited to:

- removing obstetrical care and transportation from Column I (Grantee Provides directly);
- removing diagnostic lab, x-ray, and pharmacy from Column II (Formal contract-Grantee pays for service);
- removing voluntary family planning, immunizations, preventive dental, health education, outreach, transportation, translation, emergency dental services, recuperative care, occupational care, physical therapy and podiatry from Column III (Formal referral arrangement-Grantee does not pay).
- Adding Recuperative care to Column II (Formal contract-Grantee pays for service).

See Exhibit 1 attached hereto.
